Peroxisome, Metabolism, and Homeostasis

Chair: Hua Bai, Ph.D.

Irfan Lodhi
Washington University
School of Medicine

Andrew Simmonds
University of Alberta

Margret Bülow
University of Bonn

Francesca Di Cara
Dalhousie University

See Pinned Tweet @AgingSciTalks for Logistics

Symposium Schedule: (Central Daylight Time)

11:00 am - 11:01 am  **Hua Bai** (Iowa State University, USA)
Introduction

11:01 am - 11:30 am  **Irfan Lodhi** (Washington University School of Medicine, USA)
“Peroxisomal control of energy metabolism”

11:30 am - 12:00 pm  **Andrew Simmonds** (University of Alberta, Canada)
“Shared Pex proteins coordinate lipid droplet and peroxisome activities in *Drosophila*”

12:00 pm - 12:30 pm  **Margret Bülow** (University of Bonn, Germany)
“Peroxisome - mitochondria communication influences sphingolipid homeostasis”

12:30 pm - 1:00 pm  **Francesca Di Cara** (Dalhousie University, Canada)
“Peroxisomes in immunity and inflammation”

1:00 pm - 1:30 pm  **Networking event**
