

GDCB Grad student & Postdoc Seminar

Organized by GDCB GSPO

Thursday, November 14, 2024

12pm – 1pm

ATRB 1330

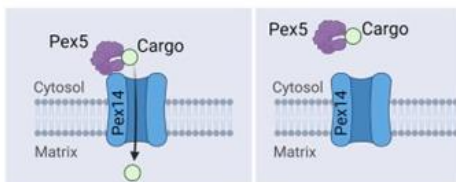

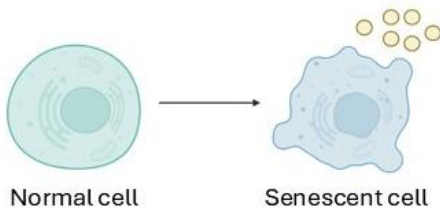

Host: Anurag Das

Jinh Kim

Research Scientist II

Bai Lab

Peroxisomal Dysfunction drives Cellular Senescence through Mitoribosome Dysregulation

Peroxisomal import declines with
aging & senescence

Research Question:
Can peroxisomal dysfunction
induce cellular senescence?
