

IOWA STATE UNIVERSITY

Genet 591 Science Communication: Communicating Scientific Research with broader audiences

Science Policy & Advocacy

Are you interested in translating your scientific training into a career in policy? Join the Interdepartmental Genetics and Genomics Graduate program for a day of training in SciComm policy and advocacy.

Topic: Translating Scientific Training into a Career in Policy. Tuesday, Nov. 5, 2019.

Morning Workshop

11:00 am – 12:30 pm

ATRB 1330

Afternoon Workshop

01:10 pm – 02:50 pm

Kildee 105

Similar content will be offered at both times. Choose one session to attend!

Refreshments will be provided

This workshop will serve as an introduction to the world of science policy career opportunities and how you can work to influence science policy now as a graduate student, postdoc or career scientist.

Panel Discussion. 4:10 – 5:00 pm. Memorial Union, Gallery Room
